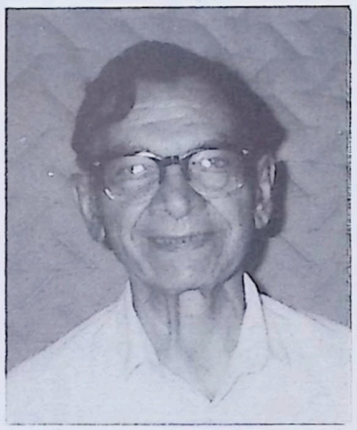
IN MEMORIAM



Joseph Ricciuti

Joseph (Joe) Ricciuti passed away on January 19, 1995. He would have turned 78 on February 26th.

He was born February 26,1917 in Boston and he attended and graduated from Boston School for the Deaf. He was involved in many activities for the Deaf Community. In fact, he was the greatest leader for the Boston Deaf Club for many years and he was a co-founder of the Boston Deaf Club and the Worcester Deaf Club. He was also a member of the Revere Club of the Deaf . He travelled the NEAAD, EAAD and AAAD basketball and softball tournaments for almost fifty years and attended the Delegate meetings at NEAAD, EAAD and AAAD for more than thirty-five years. He was a great fund-raiser for the Boston Deaf Club. He was inducted into NEAAD's Hall of Fame for his leadership in 1993.

He was a NEAAD Secretary -Treasurer (1959-60) and NEAAD Vice-President (1965-1968) and (1984-1986.) Also, he was a former chairperson of the 7th (1952), 9th (1954), and 17th (1962) annual NEAAD Basketball tournaments in Boston, 32nd (1977) annual EAAD Basketball tournament on Revere. His last major activity was as the chair of the 44th (1988) annual AAAD Basketball tournament in Boston. He also was an active member of 10/25 AAAD.

His last visit was to the 50th Annual AAAD basketball tournament in Arkon, Ohio in April of 1994. It is unfortunate the he will miss the 50th Annual NEAAD Basketball tournament as he looking forward to this special event.

Of course, we, NEAAD people will him his leadership.

Our sympathies go to his wife Helen, his son and two grandchildren. May he rest in peace.

Donald "Don" Wade was born in Bath, Maine. He attended Portland School for the Deaf. After his family moved to Connecticut, he attended the American School for the Deaf where he graduated in 1961. He met his wife, Judith Charlton there and they were married in 1962. He was one of the greatest basketball and football players at ASD under Coach Oscar Shirley.

He brought his basketball talent to NEAAD. He also played basketball for Worcester, Hartford and Portland Deaf Clubs.

Don and Judith, along with their three daughters, moved to Florida many years ago. Don worked at the St. Augustine School for the Deaf for about 15 years. He was one of the founders of the Palms Community Center of the Deaf, Inc. in October 1993. He enjoyed traveling with his wife to the Deaf Timberfests and other events under the Northeast Recreation Association of the Deaf.

Don passed away at the age of 53, on September 4, 1994 from cancer. He will be sorely missed by his family and friends.

New England Athletic Association of the Deaf 50th Anniversary committee is proud to dedicate this unique tournament to five founders, who originated the NECAD (New England Clubs Athletic of the Deaf which was later changed to the New England Athletic Association of the Deaf), in Hartford, Conn. in 1946. They worked hard to keep the tournaments running smooth with no officers until 1948. In 1948, official officers were elected to run the region, which was recognized by the EAAD and AAAD in the past.

We, the NEAAD, want to express our appreciation to Edward Buell, Abraham Cohen, Stanley Hosta, Joseph Marino, and Harry Spring for creating this organization. Without them, NEAAD would not be celebrating its 50th Anniversary.

STORY OF NEAAD

by Tom Desrosier - March 1995

At a meeting at the Providence Deaf Club in 1973, it was decided that it would be a good idea if New England had its own region in the American Athletic Association of the Deaf. We decided that it would be a good idea for us to separate from the Eastern region and go on our own. A resolution was passed that we would apply to the AAAD to become the 8th region. We were very enthusiastic and excited about the resolution and brought our idea to the board of the AAAD at a meeting held in Colorado. The AAAD Board thought the idea was good, but said that the idea first had to be approved by the Eastern region. They said that after approval from the Eastern Region, we could re-apply to the AAAD.

In 1974, there were a meeting in New York and the Eastern region passed resolution to allow New England to become separate. Later that year Leo Burke, Roger Claussen, Jack Marino, and Edward Buell l went to a meeting in Utah to represent us to the AAAD. The AAAD approved the application, but said that there would be a five year waiting period. During the five years, the NEAAD would have to do a lot of work to make by-laws, set up the organization, etc. So we went to work over the next five years to get everything set up so we could become officially the 8th region of AAAD.

During those five years, the Eastern region began to see its membership become less and less. They were worried that they would become too small and decided to change their mind about letting New England become independent. Even though there were doubts, we continued on the path to independence. We had workshops at the Holyoke Deaf Club and the Hartford Deaf Club. There was a lot of paperwork involved. Much credit is due to many people who work hard at established NEAAD. Debbie Buell Stone, Barbara Bailey Valli, and Shirley Desrosier helped with all the typing and paperwork. There were a lot others who worked hard to get the organization started, but I'm sorry to say I forget some of the names.

At the 1982 AAAD meeting, AAAD President Caswell expressed his concern about the Eastern region becoming too small. Nevertheless, President Anders of the EAAD was still willing to go along with separating NEAAD and EAAD. At that time, I was called to speak before the AAAD board. I explained that we finished all the paperwork , the workshops, by-laws, etc. We had gone though all the work and we even had our own Hall of Fame. We had three sports commissioners: one for volleyball, basketball, and softball. Some of the other regions had none or only one, but we had three! I also explained that the average number of people at our events was 400-500 registrants and that our tournaments were well run and enthusiastic.

Then the father of AAAD, Art Kruger, spoke up in support of the NEAAD. He said "New England was planning and working hard during the last five years, while others were sleeping." He said the New England should have its own region and that they should be congratulated for all their hard. work . He told the board that if they weren't satisfied, they could try to change their minds later. He convinced them to accept the New England application because of all their effort and success.

In 1982, the same year that we obtained final approval from AAAD, the Hartford Deaf was the first New England team to win the Eastern regional championship. Hartford went on to represent us in Miami. So 1982 was a thrilling year for New England because it was our best team ever and it was the year we earned our independence. We were very proud and happy.

50TH ANNIVERSARY GALA
BASKETBALL TOURNAMENT

Greeting from General Chairperson Louis A. Rivas,

Welcome to the NEAAD's 50th Anniversary Basketball Tournament and 25th Anniversary Hall of Fame Banquet at Keefe Technical High School and Sheraton Tara Hotel in Framingham, Mass. It is amazing that the NEAAD has celebrated 50 years, which was founded by a small ground of deaf leaders in Connecticut. Imagine: NEAAD basketball tournaments have been through many winter storms and did not miss one tournament for 50 years!

On behalf of the 50th Anniversary committee, I extend a warm welcome to all of you to our 50th Anniversary basketball and 25th Anniversary Hall of Fame. In fact, I never dreamt about hosting the 50th Anniversary until I realized that it really belongs to the five founders who have worked hard to develop the tournament over the past years in which their dream came true. So, I decided to keep their dream alive by hosting this event with many excellent leaders under me in making certain that the NEAAD operates the basketball tournaments for the next 50 years!

I want to thank our committee for their hard work and preparation to serve the people of the New England and other states for the best memory possible. They really did an excellent job in arranging this events though they are committed to other things; they gave up their time to contribute to the NEAAD events. I am really proud of my dearest friends for working with me.

I want to thank all people from New England and out of state for coming and supporting our fund-raising during each event (NEAAD All-Star Game-March 1994, NEAAD Softball Invitation tournament-July 1994, Cruise Party-September 1994, Christmas Party-December 1994 and Sumo Wrestling-January 1995).

I want thank th officers of the NEAAD, players and all the fans. I hope that all of you will have very fond memories of the 50th Anniversary and the 25th Anniversary Hall of Fame where you will be able walk all through the exhibits that show the history of NEAAD, making you feel proud be a participant!
